- OUR UU PRINCIPLES -

A Unitarian Universalist believes:

1. that each and every person is important.
2. that all people should be treated fairly.
3. that our churches are places where all people are accepted and where we keep on learning together.
4. that each person must be free to search for what's true and right In life
5. that everyone should have a vote about things that concern them.
6. In working for a peaceful, fair and free world.
7. In caring for our planet earth.

*Adopted from the Unitarian Universalist Principles
